ABOUT US:

“Mawy Deniz Gurlushyk” (herein called “MDG”) is an Economic Society established on 2015 to cater the need particularly in Construction and Oil & Gas industries in Turkmenistan. Our young and energetic company is blessed with talented young and experienced staff in the field. Such talents enable us to perform the best quality on the tasks given. In line with industrial requirements, our work processes are in accordance with ISO:9001, 14001 and 45001 standards. Health, Safety and Environment are always the first priority. Our HSE policy is continuously improved to ensure HSE practice by our staff and subcontractors and remain relevant and reflecting legislations and regulations imposed. With current development and with the support from the principles and our partners, we are looking forward for your invitation to participate and assist you with our field expertise.

MISSION:

To provide cost effective solutions to Construction and Oil & Gas industries through advanced engineering and creative work force together with astute investments in the strategic assets.

- To constantly seek new knowledge
- To design and deliver optimal solutions
- To strictly adhere to high quality and standards
- To be there for our clients
- To lead each other towards growth

OUR ADVANTAGE

Qualified key personnel with previous experience and know-how in Turkmenistan.

Dynamic company, site and overseas organization.

Experience and knowledge enlarged in project management.

Fully integrated quality management system and effective quality assurance.

Dynamic and client oriented HSE system with local compliance.

Strong financial capability.

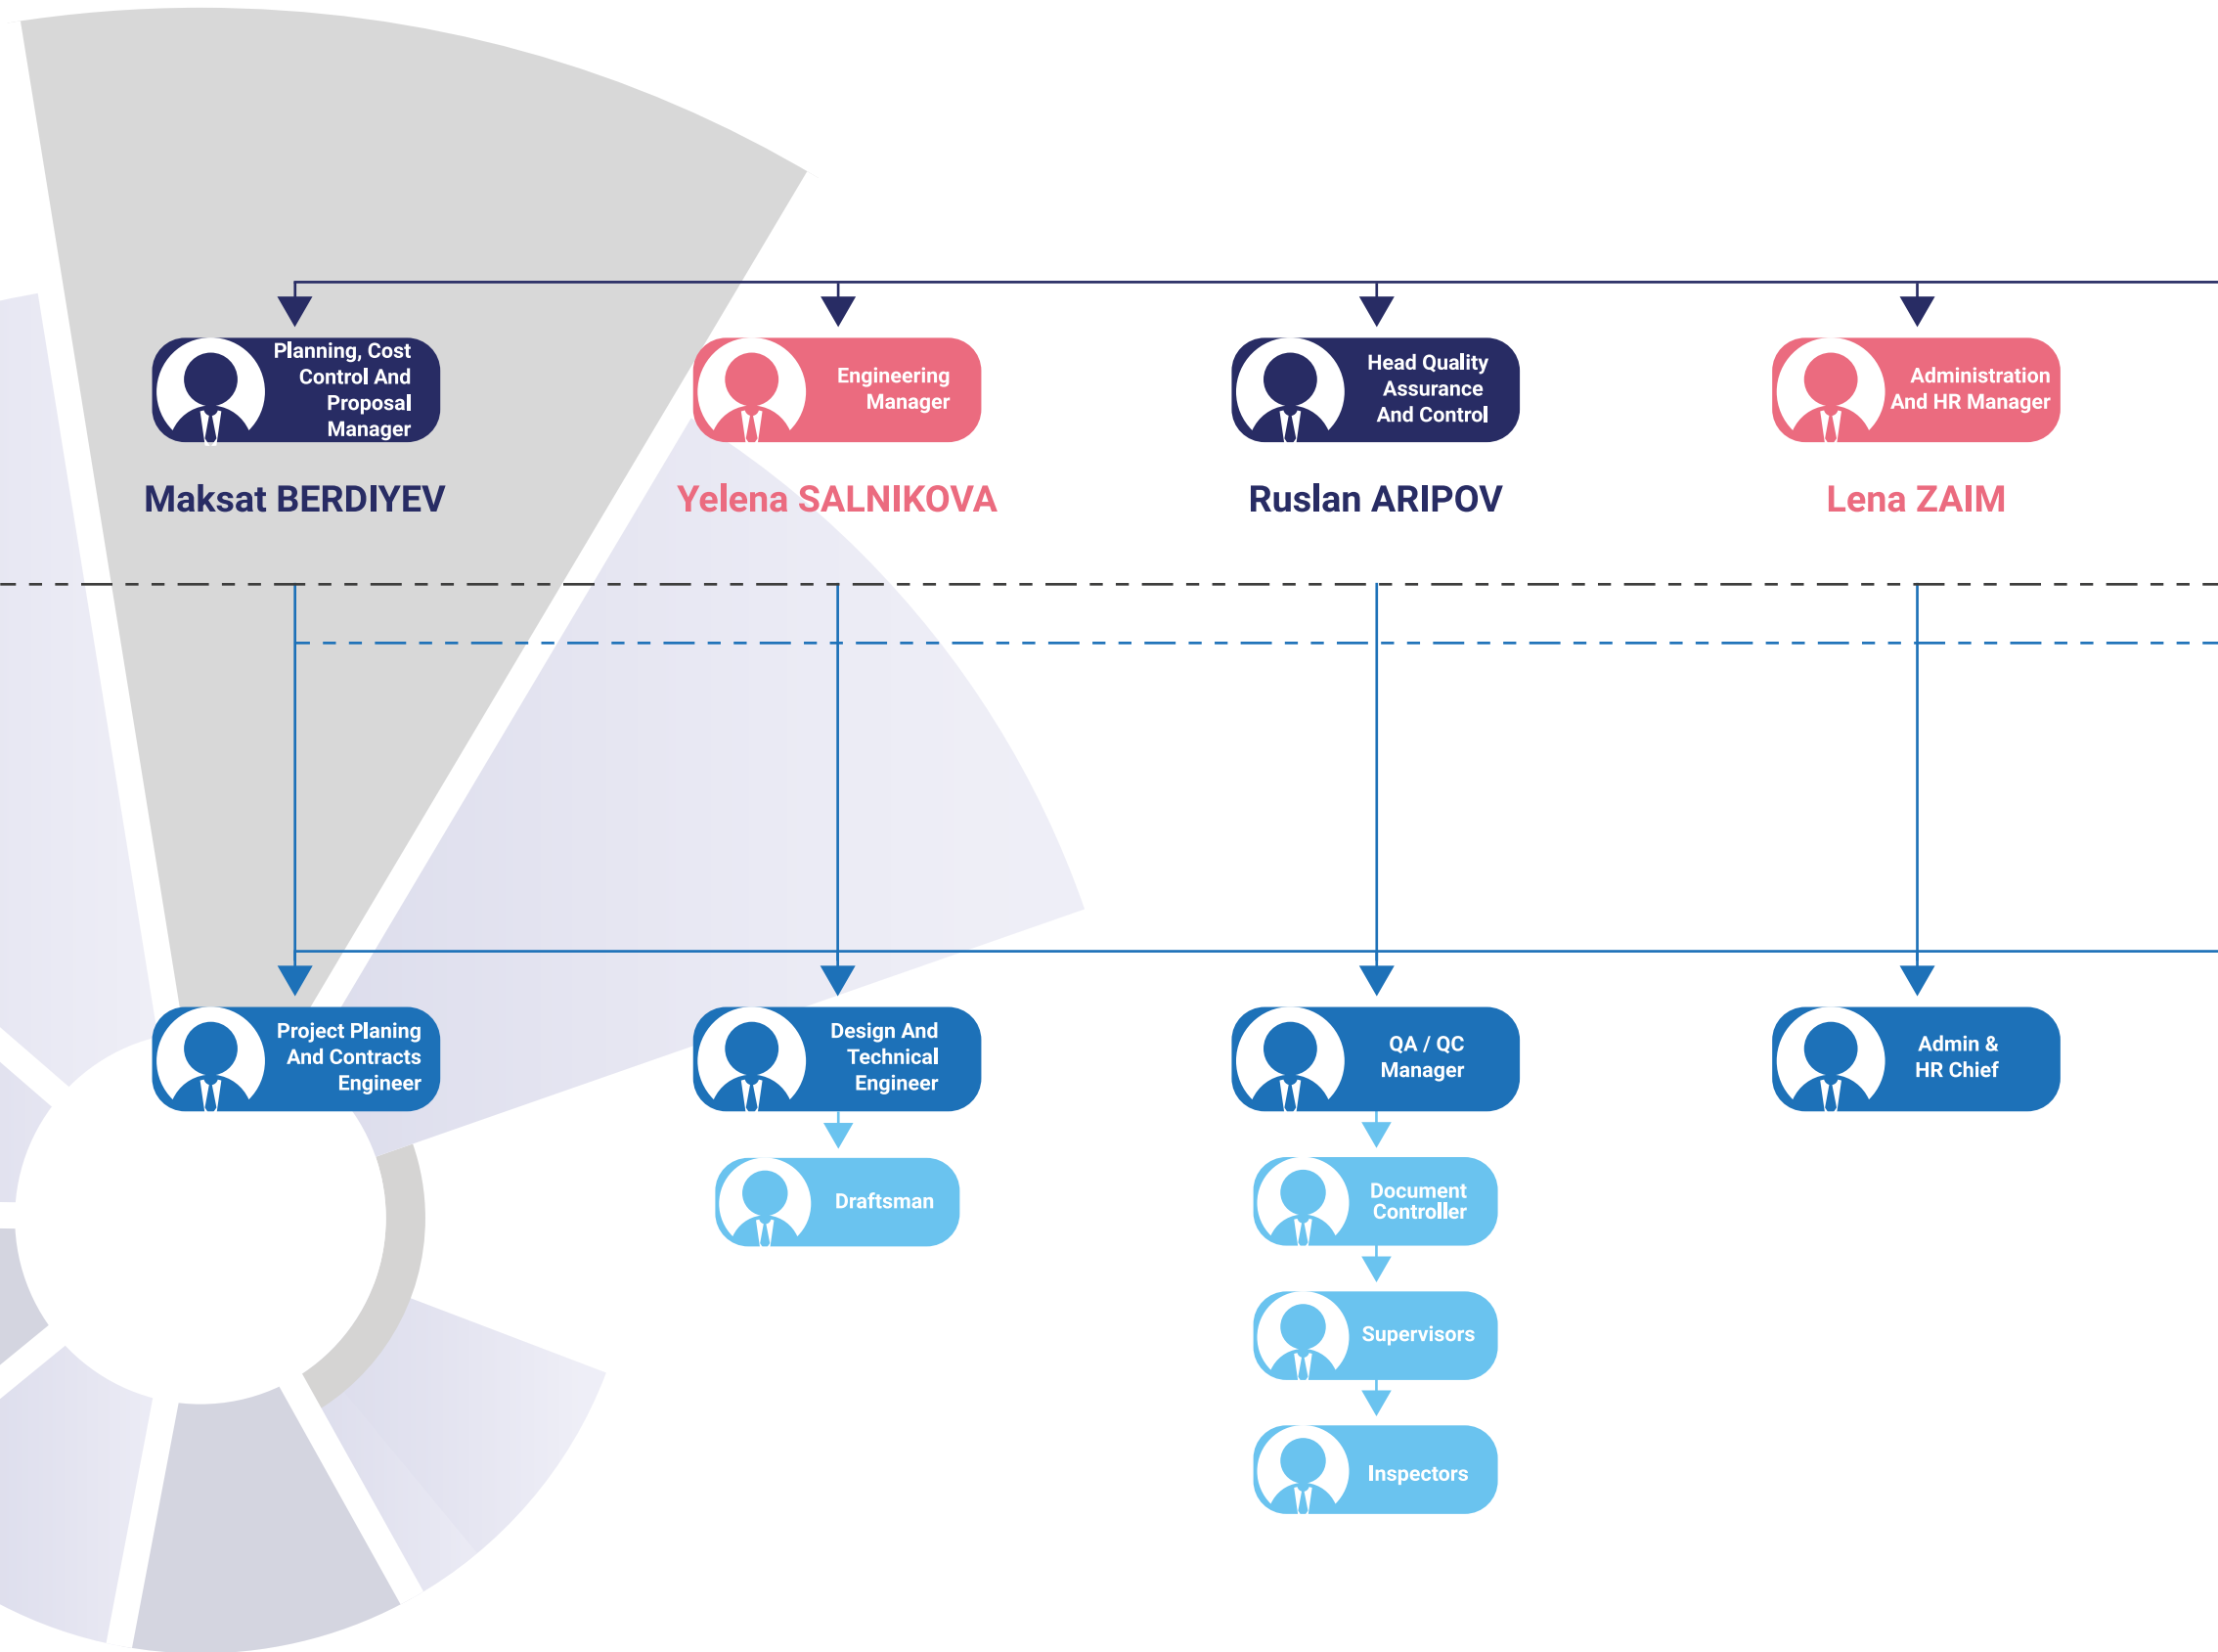

International partners in various industries and supply chain management.

Readily available local manpower and overseas experienced expatriates.

Specialized resolutions to local subjects.

Working as single team with client and focused success.

ROMAN TATYANIN

MANAGING DIRECTOR

CIVIL AND ARCHITECTURAL ENGINEER
STATE UNIVERSITY OF LAND USE PLANNING,
RUSSIAN FEDERATION (1999)

CAREER

2019 - PRESENT
TURKMENISTAN

● **ES "MAWY DENIZ GURLUSHYK"**
Managing Director

2017 – 2019
TURKMENISTAN

● **ILK CONSTRUCTION CO.**
Deputy Marine and Offshore Operations
Department and Fleet Manager

2013 - 2017

● **Construction & Site Manager**
Provision of Detailed Design & Construction of Ground
Control Segment of Turkmen Alem Satellite Civil Works
- EPIC Project for Upgrade for Berths
- Hire of Crane Vessels on Emergency Basis for Derrick
Removal
- EPIC of Polyclinic Project
- Provision of Work barge / Workboat cum Accommodation,
Anchor Handling Tug, Fast Crew Boat
- Provision of Marine Spread and Related Support Services
for HUC activities Offshore, Turkmenistan
- Transportation & Installation of Offshore Facilities of
Diyarbekir Oil Development Project
- Kia & Hyundai Showroom Project

2006 – 2013

● **Sr. Construction & Design Engineer**
- Magtymguly Collector Riser Platform-A
- EPIC of Wellhead Platform Lam-C
- EPIC of Drilling Platform Zhd-B, Bridge, Connected Living
Quarters with Helideck, Subsea Pipeline, Lam-22 Helideck
- Residential Building Projects
- School and Kindergarten Projects
- Showroom Projects
- Park and Recreational Projects

2002 – 2006
TURKMENISTAN

● **BOUYGUES BATIMENT INTERNATIONAL**
Sr. Design and Control Engineer

- Bank Buildings (Dayhan and Foreign Economic Bank)
- Ministry Buildings (Textile)
- Museums, Theatre and Art Academy Buildings Projects
- Exhibition Centers
- Mosque Projects
- Winter Sports Center
- Marble Plant

1999 – 2002
TURKMENISTAN

● **ERKU CONSTRUCTION CO.**
Design Engineer

- Residential Building Complex Project
- Tomato Process Plant Project

Business Development Manager, Projects Director

2015 – 2019
TURKMENISTAN

● **ILK CONSTRUCTION CO.**
Turkmenistan Deputy Country Manager
Head of Oil & Gas Upstream and
Downstream and Marine / Offshore Projects
Marine and Offshore
Operations Department and Fleet Manager
Project Manager {client Dragon Oil Turkmenistan Ltd.}
- EPIC for Three (3) New Wellhead Towers & Associated Pipelines Network for
Water Injection (Lam Oilfield) (Caspian Sea, Turkmenistan)
- EPIC Project for Upgrade for Berths
- Hire of Crane Vessels on Emergency Basis for Derrick Removal
- Additional Works for Drilling of Zhdanov-A
*Project Manager {client Petronas Carigali (Turkmenistan) Sdn. Bhd.):
- EPCIC for the Remaining Scope for Garagol Deniz West Oil Development
Project
- Provision of Work barge / Workboat cum Accommodation, Anchor Handling
Tug, Fast Crew Boat
- Provision of Marine Spread and Related Support Services for HUC activities
Offshore, Turkmenistan (Subcontractor to Armada Marine Contractors Caspian
Pte. Ltd.)
- Transportation & Installation of Offshore Facilities of Diyarbekir Oil
Development Project (Subcontractor to Sigur Ros Sdn. Bhd.)
- Provision for Associated Construction Works and Modification for MEG
System and MCR-A and PPD Injection System in WD and CD Offshore
Platforms
- Turnaround - Provision of Crane Services for Maintenance Support
- Provision for lifting and transportation of testing lab from FSO to OGT
(offshore to onshore)
- Provision for Modification of level Control Valve at MCR-A Topside
- Provision for Services and Material Supply WD and CD GEG Rectification
Works

2010 – 2015
TURKMENISTAN

● **ILK CONSTRUCTION CO.**
Project Manager {client Dragon Oil Turkmenistan Ltd.}

- EPIC of Waste Disposal Facility Project
- EPIC of Polyclinic Project
- Geotechnical Survey at Hazar Harbour and Aladja
- Geotechnical Survey at CPSF
- Supply of Accommodation Cabins and Office for Onshore and Offshore
- Supply of Accommodation Cabins
- Various PO (Supply, Construction, NDT, Welder training, FF Systems,
Scaffolding, Earthworks, Fiber optic Cabling, etc.)

*Project Manager:

- Kia & Hyundai Car and Machinery Showroom Project

*Construction Manager {client Dragon Oil Turkmenistan Ltd.):

- Construction Work for Heater Treater
- EPIC of Interconnecting Pipe Line Project
- EPIC of New Mechanical Workshop DOTL Harbour Area, Turkmenistan
- EPIC of Centre of Excellence Building
- Seawater Desalination Plant

*Technical Office Manager {client Dragon Oil Turkmenistan Ltd.):

- EPIC of Wellhead Platform Lam-C
- EPIC of Drilling Platform Zhd-B, Bridge, Connected Living Quarters with
Helideck, Subsea Pipeline, Lam-22 Helideck

**SERVICES PROVIDED AND
PROJECTS MDG INVOLDED
IN MANAGEMENT**

EPCIC (Engineering, Procurement, Construction, Installation and Commissioning) of Upstream and Downstream Projects;

- Offshore Wellhead, Accommodation and Water Injection Platforms
- Sub-sea Pipelines (Rigid and Flexible)
- Sub-sea Cabling (Power, Fiber optic)
- Pipeline shore approach and beach pull
- Pre and Post trenching offshore
- Subsea services (Diving, UW cutting/welding/repairs/construction, hull cleaning)
- Load-out, skidding, launching and float-over
- Onshore Trunk lines and pipelines
- Petrochemical and Industrial Plants
- Storage Tanks, vessels
- Heavy lifting and transportations
- Positioning Systems (BMS / TMS)
- Maintenance, repair and turnaround works of plant and facilities
- Survey (Pre and Post Installation/Lay, Bathymetric, MSL Measurement)
- Mothballing and Preservation
- Grouting
- Onshore and Offshore Piling

EPCIC (Engineering, Procurement, Construction, Installation and Commissioning) of Marine Projects;

- Breakwaters, Quay walls, Jetty/Berth/Wharf, Mooring Facilities (Dolphins, etc.)
- Dredging
- Provision of Marine Spread (Chartering, Bareboat)
- Towing, Maneuvering, Salvage, Anchor Handling
- Offshore Support Activities (Cargo Handling, On-Off Loading, Cargo Securing, etc.)
- Jack-up operations
- Ship building, repair, conversion and maintenance

EPCIC (Engineering, Procurement, Construction, Installation and Commissioning) of Infrastructure, Civil, Architectural Projects;

- Site Preparation and Foundations Works
- Underground Utilities
- Road and Pavement Works
- Residential Buildings and Complexes
- Heavy and Light Steel Structure
- Polyclinics and Hospitals
- Congress, Exhibition and Business Centers and Sport Complexes
- Recreation and Landscaping Projects
- Waste Disposal Facilities, Water Treatment Plants
- Prefabricated Building Projects / Temporary Facilities
- Hotel Buildings
- School and Kindergarten
- Satellite Ground Control Stations
- Museums, Mosque

...

Decommissioning Projects;

- Offshore facilities, vessels, SBM, etc.
- Scrap Removal Offshore (Derricks, platforms, steel scrap, etc.)
- Pipeline Decommissioning

Stand Alone Works;

- Earthworks (Excavation, back filling, compaction, piling, grouting, etc.)
- Civil Works (Formworks, rebar and concrete works)
- Architectural Works (Masonry, finishing works, façade and interior coverings, etc.)
- Mechanical Works
- Piping Works (Steel, Plastic, GRP, PE/HDPE, etc.)
- Electrical and Instrumentation Works (including telecommunication, CCTV, data networks, fire alarm systems, building management systems, etc.)
- Heating Ventilation Air Conditioning (HVAC)
- Process and Non-Process Equipment Installation
- Blasting, Painting and Coating Applications
- Insulation and Heat Tracing Works
- Scaffolding Works
- Survey Works (Geo-technical, geomatics)
- Fencing Works
- Demolition and Cutting Works
- Supply Chain Activities (Procurement, Handling, Transportation and Delivery) of Various Material and Equipment

Contract: EPIC (Engineering, Procurement, Installation, Commissioning) of Civil Works for a Seawater Desalination Plant

Location: Hazar, TURKMENISTAN

Contract Date: 20/08/09

Completion Date: 15/11/09

Activities:

- Onshore and Offshore Trenching – 4.600 meter
- Onshore HDPE Pipe Fusion Welding – Ø10", 6.000 dia-inch
- Onshore PVC Piping – Ø10", 900 meters
- Offshore HDPE Pipe Fusion Welding with gravity anchors – Ø10" x 750 meters
- Water Intake Basin and Desalination Plant Civil Works

- Earthworks, Formwork, Concrete, Re-bar, Insulation, Finishing Works, Fencing Works
- MEP works and Commissioning
- Sheet Piling and Dewatering Works

Contract: EPIC (Engineering, Procurement, Installation, Commissioning) of Centre of Excellence Building

Location: Hazar, TURKMENISTAN

Contract Date: 17/11/09

Completion Date: 31/03/10

Activities:

- Turnkey Project of One Level (547 m²) Training Center
- Earthworks, Formwork, Concrete, Re-bar, Insulation, Finishing Works, Foldable Wall, Steel Roof Structure and Cladding
- MEP Works, A/C System Installation

- Electrical and Signalization Works
- Landscaping and road works
- Tie-in to existing utilities

Contract: Geotechnical Survey at Hazar Harbour and Aladja

Location: Offshore Hazar, TURKMENISTAN

Contract Date: 17/01/13

Completion Date: 14/04/13

Activities:

- Boreholes (12 nos. x 40 m, 10 nos. x 12 m) and sampling at offshore (navigation channels)
- In-situ and Laboratory Tests
- Engineering Reporting

Contract: Geo-Technical Investigation for GTP in CPF Area

Location: Hazar, TURKMENISTAN

Contract Date: 01/08/10

Completion Date: 30/11/10

Activities:

- Boreholes (8 nos. x 20 m) and sampling in brown field
- In-situ c/w seismic cross hole and Laboratory Tests
- Engineering Reporting

Contract: EPIC (Engineering, Procurement, Installation and Commissioning) of Wellhead Platform LAM-C

Location: Onshore and Offshore Hazar, TURKMENISTAN

Contract Date: 14/04/10

Completion Date: 13/10/13

Activities:

- 4 legged, 2 lower and 2 upper jacket steel fabrication (760 Mt)
- 40" Pile fabrication (360 Mt), Pile driving and Conductor Driving
- 4 nos. topside fabrication (1.050 Mt)
- Boat landing, flare, other appurtenances fabrication (210 Mt)
- Process and Non-Process Piping
- E&I Works
- HVAC Works

- Architectural Works (Living and Control Cabins)
- Blasting and Painting Work c/w Passive Fire Protection
- Heat Tracing and Insulation, Cladding Works
- Equipment Installation
- Load-out, transportation and offshore installation Works
- Testing, Hook-up, Pre-Commissioning and Commissioning Works
- EIA and EPP Studies

CONTINUE OF PREVIOUS PAGE

Contract:

EPIC (Engineering, Procurement, Installation and Commissioning) Drilling Platform Zhd-B, Bridge Connected Living Quarters with Helideck and subsea pipeline, Lam-22 Helideck

Location: Onshore and Offshore Hazar, TURKMENISTAN

Contract Date: 11/08/11

Completion Date: 31/12/15

Activities:

- 6 legged, 4 nos. jacket steel fabrication (2.850 Mt)
- 48" Pile fabrication (2.000 Mt), Pile driving and Conductor Driving
- 7 nos. topside fabrication (2.400 Mt)
- Boat landing, flare, bridge and other appurtenances fabrication (400 Mt)
- 2 nos. Helideck fabrication (120 Mt)
- Process and Non-Process Piping
- E&I Works

- HVAC Works
- Architectural Works (Living Quarter Block)
- Blasting and Painting Work c/w Passive Fire Protection
- Heat Tracing and Insulation, Cladding Works
- Equipment Installation
- Load-out, transportation and offshore installation Works
- Testing, Hook-up, Pre-Commissioning and Commissioning Works
- Dredging Works
- EIA and EPP Studies

Contract:

EPIC (Engineering, Procurement, Installation, Commissioning) of New Mechanical Workshop

Location: Hazar, TURKMENISTAN

Contract Date: 01/10/09

Completion Date: 16/03/10

Activities:

- Steel structured, panel covered workshop building (960 m2)
- Earthworks, formwork, concrete, insulation, re-bar, steel structure, panel cladding, MITRE Gate (Foldable), 16-ton Overhead Crane
- Steel structured, panel covered Car Wash Station (101 m2)
- Earthworks, Formwork, Concrete, Insulation, Re-bar, Steel Structure, Panel Cladding, Finishing Works
- R/C Office Building (384 m2)

- Formwork, Concrete, Insulation, Re-bar, Steel Structure, Panel Cladding, Finishing Works
- Landscaping Works -
- E&I Works -
- Piping and Mechanical Works -
- HVAC Works -
- Tie-in to existing utilities and Commissioning Works

Contract: Supply of Accommodation and Office Cabins

Location: Onshore and Offshore Hazar, TURKMENISTAN

Contract Date: 21/11/10

Completion Date: 31/05/11

Activities:

- 12 nos. Prefabricated Containers (40' Office Type x 4 nos., 20' Accommodation Type x 6 nos., 10' WC Type x 2 nos.) – Onshore
- 32 nos. Prefabricated Containers – Offshore Complex (A60 rated, 8 x 3 meters each)
- E&I Works
- Piping Works

- HVAC Works
- Fire Fighting System Works
- Heat Tracing, Insulation and Cladding Works
- Steel Roof and Covering Works

Contract: Supply of Accommodation Cabins

Location: Hazar, TURKMENISTAN

Contract Date: 25/01/10

Completion Date: 03/05/10

Activities:

- 10 nos. Accommodation Containers (8 m x 3 m, each) for two person

- Electrical and Piping Utilities

Contract: EPIC of New Polyclinic Building at Hazar

Location: Hazar, TURKMENISTAN

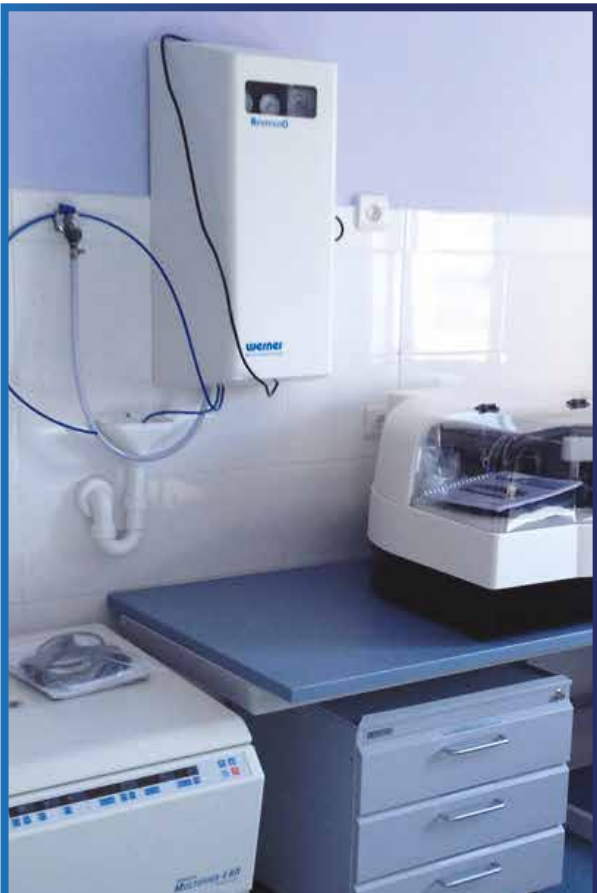

Contract Date: 25/09/11

Completion Date: 25/12/12

Activities:

- Design, procurement, construction and commissioning of 100-person per day capacity polyclinic building including technical building and water storage tanks
- 1.700 m2 closed area, 2.700 m2 open area, total area 4.400 m2
- 1.500 m3 concrete works, 6.500 m2 formworks, 300-ton rebar works
- Procurement and installation of medical equipment and furniture

- E&I Works
- MEP Works
- HVAC Works
- Tie-in to existing utilities
- Landscaping
- Commissioning Works

CONTINUE OF PREVIOUS PAGE

Contract: EPIC (Engineering, Procurement, Installation, Commissioning) of 30" Onshore Interconnecting Gas Pipeline Project

Location: Hazar, TURKMENISTAN

Contract Date: 29/10/09

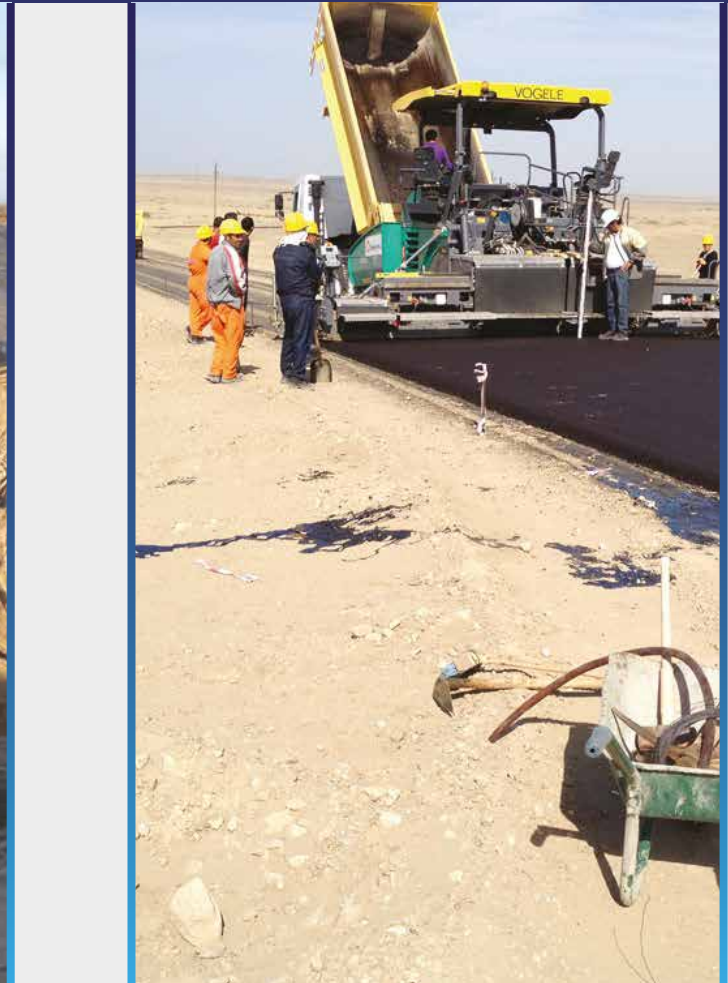

Completion Date: 20/04/11

Activities:

- 30" CS Main Pipeline (Under and above ground) – 1.200 meter
- Hot bends, Actuated valves, Isolation joint installation
- 3LPE Coatings
- E&I Works
- Cathodic Protection

- Pigging, Hydro-testing, Pre-commissioning and Commissioning
- Tie-in to existing plant
- EIA & EPP Studies
- Civil Works, Asphalt Road Crossings, Valve Pit Construction and Fencing

Contract: EPIC (Engineering, Procurement, Installation and Commissioning) of Waste Disposal Facility

Location: Hazar, TURKMENISTAN

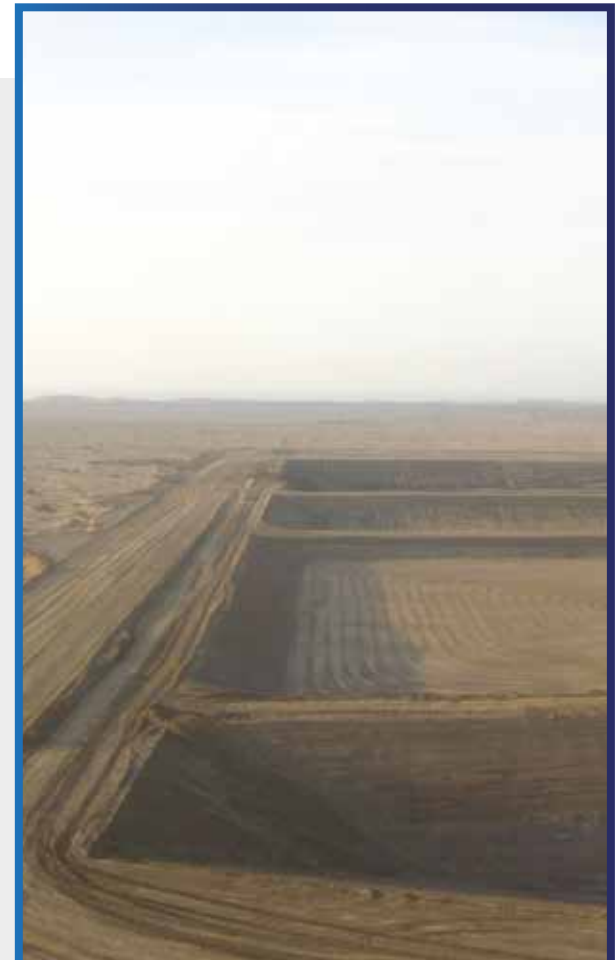

Contract Date: 05/09/11

Completion Date: 15/07/12

Activities:

- Design and construction of 15-year capacity of Hydro-carbon, non-hydro carbon and domestic - wastes disposal / storage cells (Landfill)
- Earthworks (1.000.000 m³ excavation and filling) and Civil Works (Fire Water Storage Tanks)
- Geo-membrane, geo-clay and geo-textile and geo-composite installation, total 250.000 m²

- Asphalt road construction, 4.000 m, Category-III
- Asphalt road re-construction / repair, 4.500 m
- E&I Works c/w 35 kV overhead line and u/g cabling
- Relocation of 6 kV overhead lines
- MEP Works (Sludge pumps, leachate pumps, FF system)
- Fence Installation (2.000 m)
- Waste management plans, EIA / EPP studies, HAZID / HAZOP studies

WATER - BASED DRILLING MUD
БУРОВОЙ РАСТВОР НА ВОДЯНОЙ
ОСНОВЕ

Contract: EPIC (Engineering, Procurement, Installation and Commissioning) Project for Upgrade of Berths

Location: Hazar, TURKMENISTAN

Contract Date: 01/06/14

Completion Date: 14/08/17

Activities:

- Demolition and New Construction of Berth No.3, No.4, No.5, No.6 and No.9

- Length 420 m, Wide 15 meters.
- 40" CS, PE Coated Piles and Driving
- Revetment and Scour Protection (Rock Armor)
- RC in-situ pile cap and slab
- RC precast beams, permanent form plates
- Fender, access ladder, bollard installation
- Fresh and Fire Water System Piping and Installation
- Beautification of Berth No.1, No.2, No.7, No.8 and No.11

- Length 385 m, Wide 8 meters.
- RC Works on slab top
- Fender, access ladder, bollard installation
- Fresh and Fire Water System Piping and Installation
- API 650 designed, fixed roof, CS Fresh Water and Diesel Oil Storage Tanks
- 500 m³ capacity, CS tank (dia. 8 m, Height 11 m) construction
- Earth and Civil Work c/w dike wall
- Impress Current Cathodic Protection
- Piping Works
- E&I Works c/w level measurement, flow alarms, etc.
- Blasting and Painting Works
- Insulation and Cladding Works
- Tie-in to existing manifold and pumping system
- Testing, Pre-commissioning and Commissioning Works

Contract:

EPIC (Engineering, Procurement, Installation and Commissioning) for Three New Wellhead Towers & Associated Pipelines Network for Water Injection (Lam Oilfield)

Location: Onshore and Offshore Hazar, TURKMENISTAN

Contract Date: 06/05/19

Completion Date: 31/08/19

Activities:

- Design and pre-procurement activities for Wellhead towers
- HAZID/HAZOP Studies
- EIA&EPP

Contract: Various Purchase Orders

Location: Onshore and Offshore Hazar, TURKMENISTAN

Contract Date: 01/09/09

Completion Date: 31/08/19

Activities:

- Construction Works for Caisson and Fire Fighting System Works (Piping, E&I Works)
- Scaffolding Works (Material and manpower provision)
- Fire Fighting Network Upgrade Works (Piping and hydrant revisions)
- Provision and Construction Equipment (Leasing)
- NDT Works (MPI, UT, RT)
- Winterization Works (Heat tracing, insulation and cladding)

- Earthworks and Soil Improvement
- Fiber optic cable laying c/w trenching
- Welder Training Programme
- Supply Contract (Various construction, oil & gas material, equipment and tools)

Contract: EPCIC (Engineering, Procurement, Construction, Installation and Commissioning) for the Remaining Scope for Garagol Deniz West oil Development Project

Location: Onshore and Offshore Turkmenbashi, TURKMENISTAN

Contract Date: 18/10/18

Completion Date: 31/08/19

Activities:

- Pre-commissioning and commissioning activities for platform topside and GTPOGT systems
- Engineering of load-out, transportation and installation of topside
- Subsea fiber optic cable laying engineering

Contract:

Provision of one (1) Workbarge/ Workboat Cum Accommodation, One (1) Anchor Handling Tug (AHT), One (1) Fast Crew boat (FCB) for Diyarbekir Oil Development Project Remaining Work and Hook-up & Commissioning, Demobilization and Related Services

Location: Onshore and Offshore Turkmenbashi, TURKMENISTAN

Contract Date: 01/07/15

Completion Date: 24/03/16

Activities:

- Provision of;
 - Accommodation Work Barge, 8-point mooring, 250 pax capacity
 - Anchor Handling Tugboat, 60 tons BP
 - Fast Crew Boat, 60 pax capacity
- Catering and lodging services
- Weather forecast provision

- Consumables (water, marine diesel oil, engine oil) supply and sewage & garbage disposals

Contract: HUC Marine Spread for PC(T)SB

Location: Onshore and Offshore Turkmenbashi, TURKMENISTAN

Contract Date: 07/10/14

Completion Date: 10/03/15

Activities:

- Provision of;
 - Accommodation Work Barge, 8-point mooring, 250 pax capacity
 - Anchor Handling Tugboat, 60 tons BP
 - Supply Boat
 - Fast Crew Boat, 60 pax capacity
- Catering and lodging services

- Weather forecast provision
- Consumables (water, marine diesel oil, engine oil) supply and sewage & garbage disposals

Transportation & Installation of Offshore Facilities of Diyarbekir Oil Development Project

Contract:

Location: Onshore and Offshore Turkmenbashi, TURKMENISTAN

Contract Date: 20/02/13

Completion Date: 25/10/16

Activities:

- MSL Measurement
- Load-out of offshore platform jackets, topsides and appurtenances (skidding, roll on and lifting)
- Transportation to offshore installation location
- Installation Operations (Launching and Float over)
- Piling (above and under water level)
- Grouting (Pile annulus and skirt legs)

- Shore approach pre-trenching
- Shore pull of subsea pipeline with linear winch
- Post-trenching of subsea pipeline
- Sub-sea surveys, pre and post installation surveys
- Subsea pipeline laying
- Marine spread provision and all related services

Contract:

Provision for Associated Construction Works and Modification, Control Valve at MCR-A Topside, Material Supply WD and CD GEG Rectification Works

Location: Onshore and Offshore Turkmenbashy, TURKMENISTAN

Contract Date: 01/08/16

Completion Date: 01/11/18

Activities:

- Modification of MEG skid piping via jumper line of HV pump at MCR-A platform and tie-in for PPD skid at WD / CD platforms
- Installation of MEG permanent line at MCR-A platform and installation of PPD skid at WD / CD platforms
- Replacement of 12" level control valve with new 8" x 6"
- Supply of material, NDT tools and testing for GEG
- Related E&I Works

Contract: Turnaround - Provision of Crane Services for Maintenance Support

Location: Onshore Turkmenbashy, TURKMENISTAN

Contract Date: 18/06/18

Completion Date: 18/06/19

Activities:

- Provision of any capacity crane on call basis.

Contract: Provision for lifting and transportation of testing lab from FSO to OGT

Location: Offshore Turkmenbashy, TURKMENISTAN

Contract Date: 25/09/17

Completion Date: 24/03/18

Activities:

- Lifting studies
- Rigging and Slings
- Lifting of lab. container from FSO (offshore) and transportation to onshore

Contract: Provision of Work Barge for WD-5 CTU Activity

Location: Offshore Turkmenbashy, TURKMENISTAN

Contract Date: 22/10/18

Completion Date: 31/08/19

Activities:

- Supply of Accommodation Work barge with 600-ton crane capacity
- Lifting and anchor pattern studies, mooring analysis
- Rigging and Slings
- Catering, lodging, supply services, weather forecast provision

Contract: Magtymguly Collector Riser Platform-A

Location: Onshore Turkmenbashy, TURKMENISTAN

Contract Date: 01/08/08

Completion Date: 01/07/11

Activities:

- Construction of Accommodation Block of offshore platform

- Steel Structure Works
- Piping and tubing works
- E&I Works
- Blasting and Painting Works
- Insulation Works
- Interior Panel, raised floor, furniture installation

Contract: EPIC of Building, School and Kindergarten Project

Location: Ashgabat, TURKMENISTAN

Contract Date: 01/12/12

Completion Date: 01/10/14

Activities:

- Turnkey project of;

- 9.200 m2 School (600 student capacity, 4 floor)
- 4.620 m2 Kindergarten (160 student capacity, 2 floor)
- 25.324 m2 of Residential Building (12 floor, 72 flats)
